

**THE PROGRAM**

The wedding program, by Lehr & Black, included a tribute to Humphries's late grandparents and Kim's late father, Robert Kardashian.

**THE CAKE**  
Created by L.A.'s Hansen's Cakes, the 6-ft.-tall, \$10,000 cake sat at the reception tent entrance on a \$130,000 Lalique crystal table. The eight octagonal tiers alternated flavors: marble cake and chocolate butter creme with white chocolate chips, and vanilla with chocolate chip filling.

**THE FOOD**

Celebrity chef Wolfgang Puck created a seasonal menu of heirloom tomatoes and mozzarella, hand-formed pasta with summer truffles (their fave!) and roasted herb chicken.

**THE ROOM**  
With its Old Hollywood feel, the room, designed by wedding planner Sharon Sacks and Rivvre Works, was "so beautiful," says Kim.
