## THE HOT SEAT

Why settle for standard seating when you can really make a statement? **Chameleon Chair® Collection** and **Wildflower Linen** have collaborated to create a signature line of elegant covers inspired by current trends in couture fashion. Sheer fabrics lush with ruffles and airy appliques add drama to event décor, while the graceful Chameleon silhouette adds its own air of distinction. *As shown (l-r), Lillybelle and Coquette designs in gold, \$35.75 ea. including chair; [chameleonchair.com](http://chameleonchair.com), 310.973.8200 or [wildflowerlinens.com](http://wildflowerlinens.com), 714.522.2777.*
