

Ringside Seats

Chameleon Chair® Collection has collaborated with the designers at two lauded companies to devise new chair styles for formal weddings. The “Ivory Rosette” chair back (shown here with an “Ivory Pleated Organza” skirt) by Resource One features creamy fabric paved with floral embellishments for a look that’s utterly timeless. Wildflower Linen’s “Julietta” design highlights multi-layered sheers in an elegant, asymmetric sweep of Amethyst tones for a rich infusion of color. Make a statement that goes beyond standard seating and can change the look of your entire event décor in one easy step. *Chameleon Chairs are available nationwide through Classic Party Rentals; classicpartyrentals.com.*
