Chameleon Chair® Collection provides the special events industry with a new classic in rental seating. Understanding that chairs are an essential element in event design, Chameleon has dedicated itself to providing our clients with personal attention and the extraordinary chairs and barstools they deserve. Our competitively priced yet luxurious and innovative designs represent a new generation in style and versatility. Complimented by a plush cushion and ergonomic design, the beauty and comfort of Chameleon seating is unparalleled. Featuring several chic metallic designs and an array of custom-fitted chair covers available in sumptuous colors, fabrics and textures, the Chameleon Chair® Collection adds distinction to every occasion. Showcased at the Academy Awards® Governors Ball and Emmy® Awards, Chameleon chairs are ideal for the casual, corporate, multi-day and most elegant and sophisticated high-profile event.

Blak.TM is the new black.

Blak.TM is no longer just a color, it's the newest design offered by the Chameleon Chair[®] Collection. As its name suggests, its understated elegance is reflected in the sleek, sophisticated simplicity of an "X". The lustrous high-gloss finish illuminates its chic silhouette as it catches each glint of light as would a starlit sky. **Blak.**TM continues Chameleon's tradition of offering the special events industry style, luxury, and comfort at a competitive price. **Blak.**TM the sensational choice for your signature event!
